ASSISTANT SECRETARY TO GOVERNMENT

PUBLIC DEPARTMENT

REVENUE DEPARTMENT.

From
E.C.Allardice Esq., I.C.S.,
Collector of Bellary.

To
The Chief Secretary to Government, Fort St. George, Madras.

Ref. No. 1738/49 S1 dated 4.1.50.

Sir,

Sub: Roads - Sandur - Forest Roads - Repairs Sanction - Requested.

In connection with the hay operations in Sandur, the Special Officer, Sandur has submitted estimates for repairs to two main roads of the Sandur viz. (1) N.W. Forest Road - Sushilnagar to Venkatagiri and (2) South East Road from Bhujanganagar to Thuggalamaradipenta for Rs. 1500/- each. These roads have not been taken over by the Highways department on the ground that they have to be maintained by the Forest Department.

The Special Officer reports that these two roads have been badly damaged and that it is difficult for the country carts carrying hay, to move on the roads. I consider that even after the forest department of the Madras Province takes over the forests, repairs to the roads will be quite necessary.

I am getting the estimates scrutinised by the Minor Irrigation Supervisor, Bellary. I request sanction to execute the repairs to the two road works at a cost of Rs.1500/- each. As the hay operations have been ordered to be started, I request that telegraphic orders may be issued to carry on the repairs to the two road works.

For Collector.
